I/We request ACA Health Benefits Fund to arrange for benefits claimed to be credited to my/our nominated account at the financial institution shown below and agree to the following conditions:

1. If the nominated bank account changes the Fund must be notified in writing;
2. Where incorrect payment details have been provided by the claimant (policy holder or an authorised insured person) the claimant is responsible for all costs associated with the recovery of the payment. Where the claimant is unwilling to pay the cost to recover the amounts paid by the fund in satisfaction of the claim, the claimant's benefit entitlement in relation to the claim is considered extinguished by the health fund.

I have read, understood and agree to the conditions of establishing a direct credit authority as outlined above.
