How to claim your benefits

For many services you can claim electronically 'on the spot' using your membership card. This means your benefits are paid to the health care provider immediately and you only pay the difference. The list of participating providers for electronic claiming can be viewed at www.acahealth.com.au

If your health care provider does not have electronic claiming available, you will need to attach the original account or receipt to a completed claim form and mail it to us (claim forms may be downloaded from our website at www.acahealth.com.au). Our claims assessors will assess your claim and pay the benefits usually within 3-5 working days of receiving your claim. If you have not yet paid the provider for the service, our cheque/s will be made payable to them.

This product benefits sheet must be read in conjunction with your ACA Health Policy Booklet. Please read these documents carefully and retain them for your future reference.
